The Chalutzim were the original settlers of Israel.

Hebrew for "pioneers", they made the desert bloom and turned a barren land into a beautiful, flourishing, prosperous country. In the spirit of the original Chalutzim, USY's Israel advocacy club empowers USYers to take a stand for Israel.

Stand for a cause.

HeChalutzim members stand at the forefront of Israel advocacy in North America and are strongly encouraged to learn about Israel so that they in turn can educate others.

USY's HeChalutzim Club provides the resources and support for HeChalutzim members to become passionate advocates for Israel.

Take Israel to the next level.

Each member receives an official membership card and a subscription to *HeChalutzon*. Members get exclusive access to late-night programming at Regional and International conventions. Many regions also have Israel weekends and seminars for HeChalutzim members.

Additionally, selected members representing each region participate in the annual HeChalutzim Seminar in Israel. In this unique, intensive ten-day program, participants learn about the issues facing Israel today and what they can do about them back in North America.

Stay in the know.

As a member you will receive the *HeChalutzon*, the official HeChalutzim newsletter, filled with resources on advocacy, current events, and Israel happenings.

Connect to Israel through pop culture, history briefs, and Israeli teen interviews. Get the scoop on the latest Israel advocacy workshops. Involve others with awesome chapter Israel programming ideas. Get informed about current anti-Israel activity, and what you can do about it.

The time is now.

While our support for Israel may be steadfast, events around the world are always changing and are constantly affecting our homeland.

Don't wait. We can make a difference now! Fill out the application on the reverse side and mail it in with your \$10 membership dues.
