

Bananagrams Shacharit Quad Regional Encampment 2010

(Creative Shacharit Option for Weekday Service)

Created by Sarah Raff, Regional IA, Hagesher USY

- Break into groups of 5-6
- Each group gets 15 tiles
- Using Siddur Sim Shalom, use the following Tefillot: (note this can be made Shabbat friendly, and you can adjust which t'fillot to use)
- For:
 - Birchot HaShachar (10)
 - Az Yashir (92)
 - Shema (100)
 - Amidah (106)
 - Aleinu (160)
 - Adon Olam (6)

Have each group make crosswords with their tiles including words associated with the various tefillot.

The team which uses all of their tiles wins 1 point, and will share their crossword.

(This can be used as a team competition, or, instead of points, other prizes can be given, such as candy, etc.)
