YOU'RE MY HOME (Billy Joel)

When you look into my eyes
and you see the crazy gypsy in my soul
it always comes as a surprise
when I feel my withered roots begin to grow.

Well I never had a place
that I could call my very own
but that's all right my love
cuz you're my home.

When you touch my weary head
and you tell me everything will be all right.
You say use my body for your bed
and my love will keep you warm throughout
the night.

Well I'll never be a stranger
and I'll never be alone
wherever we're together
that's my home.

Home could be the Pennsylvania turnpike
Indiana's early morning dew
high up in the hills of California
home is just another word for you.

Well I never had a place that I could call my
very own
but that's all right my love
cuz you're my home.

If I travel all my life
and I never get stop and settle down
long as I have you by my side
there's a roof above and good walls all
around.
You're my castle, you're my cabin
and my instant pleasure dome.
I need you in my house
cuz you're my home,...
you're my home.

ALL YOU NEED IS LOVE (The Beatles)

There's nothing you can do that can't be
done.
Nothing you can sing that can't be sung.
Nothing you can say, but you can learn
how to play the game.
It's easy...

There's nothing you can't make that can't
be made.
No one you can save that can't be saved.
Nothing you can do, but you can learn
how to be you in time.
It's easy...

All you need is love. (x2)
All you need is love, love.
Love is all you need.

There's nothing you can know that can't
be known.
Nothing you can see that isn't shown.
No where you can be that isn't where
you're meant to be.
It's easy...

All you need is love. (x2)
All you need is love, love.
Love is all you need.

(REPEATED THREE TIMES)

Love is all you need, Love is all you
need.
Love is all you need, Love is all you
need, Love is all you need, Love is all
you need, Love is all you need, Love is
all you need.

THE SOUND OF SILENCE

(Simon and Garfunkel)

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence

In restless dreams I walked alone
Narrow streets of cobblestone
'Neath the halo of a street lamp
I turn my collar to the cold and damp
When my eyes were stabbed by the flash of a
neon light
That split the night
And touched the sound of silence

And in the naked light I saw
Ten thousand people maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never shared
No one dared
Disturb the sound of silence

"Fools," said I, "you do not know
Silence like a cancer grows
Hear my words that I might teach you
Take my arms that I might reach you"
But my words like silent raindrops fell
And echoed in the wells of silence

And the people bowed and prayed
To the neon god they made
And the sign flashed out its warning
In the words that it was forming
And the sign said "The words of the prophets
are written on the subway walls
And tenement halls
And whispered in the sound of silence

WAITING ON THE WORLD TO CHANGE

(John Mayer)

Me and all my friends
We're all misunderstood
They say we stand for nothing and
There's no way we ever could

Now we see everything that's going wrong
With the world and those who lead it
We just feel like we don't have the means
To rise above and beat it

So we keep waiting
Waiting on the world to change
We keep on waiting
Waiting on the world to change

It's hard to beat the system
When we're standing at a distance
So we keep waiting
Waiting on the world to change

Now if we had the power
To bring our neighbors home from war
They would have never missed a Christmas
No more ribbons on their door
And when you trust your television
What you get is what you got
Cause when they own the information, oh
They can bend it all they want

That's why we're waiting
Waiting on the world to change
We keep on waiting
Waiting on the world to change

It's not that we don't care,
We just know that the fight ain't fair
So we keep on waiting
Waiting on the world to change

And we're still waiting
Waiting on the world to change
We keep on waiting waiting on the world to change
One day our generation
Is gonna rule the population
So we keep on waiting
Waiting on the world to change
We keep on waiting
Waiting on the world to change
