Each chapter is allowed to allocate 40% of its total contribution. Please complete the following to determine the amount to be allocated by your chapter.

Total Contribution (above): \$ \_\_\_\_\_

40% of this total: \$ \_\_\_\_\_ = amount to be allocated

Please use the listing on the opposite side, indicating to which tzedakot your chapter wishes to allocate its 40%. You may select one or more tzedakot, but the total should not exceed the amount to be allocated listed above. The limited financial resources of Tikun Olam ("Building a Better World") allow that only Jewish causes be included on the approved list of Tzedakot. If a chapter wishes to allocate funds to a local non-Jewish Tzedakah, it must write the Central Office for approval.

Please list any additional Jewish causes which your chapter feels should be added to the Tikun Olam Tzedakah List. Suggestions will be considered by the Tikun Olam Allocations Committee. Newly approved tzedakot are added to future listings. \_\_\_\_\_
